Emotional Delivery Across Time
Mandy
is a time capsule application based on Sui + Seal + Walrus that helps people deliver emotions and memories to the future.
Mandy
Deliver your thoughts, expectations, or secrets to the future. We will guard this secret for you until the future date arrives.

Unique Experience of Mandy Service
Time Customization
You decide when the letter will be delivered, from months to decades, completely under your control.
Emotional Delivery
Safely deliver your current emotions, hopes, or secrets to someone or yourself in the future.
Mental Comfort
Emotions that are inconvenient to express directly in life, by extending the letter delivery time, ease your anxiety.
